What Zee Jay Clients Have to Say

"Zee Jay Digital was the catalyst for our organization's ability to reap the benefits of digital transformation, allowing us to connect corporate strategy with marketing outcomes through technology."

Sara Spille *Kroger*

"The implementation of Adobe Workfront and our partnership with Zee Jay is a key element of our mission to build a world-class set of systems and processes to serve as the foundation for massive expansion of Lamark Media in the coming years."

Sean Baker *Lamark Media*

"I think folks are seeing the power of Workfront right now because we're not in the office. When it comes to communication, collaboration, as well as coordination across functional groups, it's key."

Derrick Greene *Fresenius*
